

Teign Estuary Transition

Core Group meeting 28th September 2011
Lisa Thorne, Mike Rickard

1. Potato and singing event at the Walled Garden Sunday 16th October

Mike suggested the usual publicity campaign of posters around the town plus an article to the Teignmouth Post; Lisa wasn't convinced that the bonfire at the garden would cope with potatoes for a great many guests, so we should not advertise the event to the public.

Action: Remainder of core group to respond to these points as soon as possible, as any advance publicity will need to be sorted early next week.

1.1. Proposed events on the day:

11 – 1; Invite guests to help build bonfire and lift potatoes. Light bonfire at midday.

1 – 3; Bonfire watch

3 – 5; Baking potatoes, singing with the Teignmouth Community choir, enjoying potatoes, judging the Compost Competition (thank you Mary).

If anyone feels inspired to draw up or contribute to a poster (TDC/ Sian Avon will want to view), name or re-order the events &c, please do, otherwise Mike to do.

2. Corpdata Community Fund.

Mike to propose purchase of a water tank for the Walled Garden to Corpdata asap.

3. 'Money as Debt II' evening in November.

Lisa has dates, but yet to confirm with TAAG availability. Lisa to confirm date. We both felt that this event could stand alone, but may also introduce the proposed Transition Cafés – also one for, one against, so we do need a response from the core group.

Lisa to view 'Money as Debt II' DVD to view in due course.

Mike Rickard 29-9-11
