

WHAT ABOUT WATER?

All the water in the world, including sea water, would form a sphere 1,391 km across.
©Adam Nieman

An arts and science exhibition including a week of events in response to

Earth Hour 2019

See local rock-pool inhabitants, a melting ice sculpture, water clock, water inspired art, water in all its forms...

Saturday **30th March** to Friday **6th April 2019**

@ TAAG Arts and Community Centre

4-5 Northumberland Place, Teignmouth, TQ14 8DD

Earth hour is a worldwide movement organised by WWF uniting people to protect the planet. Earth Hour 2019 falls on Saturday 30th march
